**SREE CHITRA TIRUNAL
INSTITUTE FOR MEDICAL SCIENCES AND TECHNOLOGY,
TRIVANDRUM**

Thiruvananthapuram- 695011, Kerala, India

INTRODUCTION

Sree Chitra Tirunal Institute for Medical Sciences and Technology (SCTIMST) is an Institute of National Importance with the status of a University under the Department of Science and Technology, Govt. of India by an Act of Parliament (Act 52 of 1980). The joint culture of medicine and technology that the Institute pioneered more than three decades ago has come of age and gained unprecedented acceptance in India. Imbued with an inclination to venture into less-trodden domains, the Institute focuses on patient care of high quality, technology development of industrial significance and health research studies of social relevance. The emphasis is on development of facilities less readily available elsewhere in the country such as interventional radiology, cardiac electrophysiology, pre-surgical evaluation and surgery for epilepsy, microsurgery and deep brain stimulation for movement disorders, new biomedical devices and products, evaluation of medical devices to global specifications, new academic programs and global public health networks.

The Institute has three wings – the Hospital Wing, the Biomedical Technology Wing and the Achutha Menon Centre for Health Science Studies Wing. Excellent research and learning opportunities are available at these wings. This uniquely poised Institute has a dedicated team of clinicians, scientists and engineers devoted to high quality biomedical research, technology development and public health research.

The Institute's missions are:

- Promote research and development in biomedical engineering and technology.
- Deliver high quality patient care in selected specialties and subspecialties.
- Develop innovative postgraduate training programs in advanced medical specialties, and biomedical engineering and technology.
- Participate in public health reforms through research, training and interventions.

The Sree Chitra Tirunal Institute for Medical Sciences & Technology Act, 1980, empowers the Institute to conduct post-graduate programs in medical sciences and biomedical engineering and stipulates that the medical degrees, diplomas and other academic distinctions granted by the Institute shall be recognized qualifications for the purpose of the Indian Medical Council Act and that they shall be included in the First Schedule to the Act.

PROGRAMS OFFERED FOR JULY & AUGUST 2020 SESSION

1. **MCh Cardiovascular & Thoracic Surgery (CVTS) - (JULY 2020 SESSION)**
(Open for applicants having MS in General Surgery from Indian Universities recognized by MCI or Diplomate of the National Board in General Surgery or any equivalent degree recognized by MCI for this purpose from time to time).
2. **PhD (JULY 2020 SESSION)**
(Open for JRF holders of UGC/CSIR/ICMR/DBT or holders of MPhil degree offered by SCTIMST. Eligible internal faculty members who wish to register for the PhD program of the institute may also apply with no objection certificate).
3. **MPhil (AUGUST 2020 SESSION)**
(Open for post graduates (MSc/MS/MTech/ME, etc.) in Biological/ Chemical/ Physical Sciences (including Polymer Sciences/Chemistry but excluding Plant Sciences and Bioinformatics) with minimum of 60% marks (or equivalent CGPA).

Applications for the above programs shall be submitted online only. For further details please visit our website: www.sctimst.ac.in

On-line registration opens from 22-04-2020 to 25.05.2020 (5 p.m.)

Application fee shall be submitted online only. Fee for each program is given below:

- 1) **Rs. 1500/- for MCh (CVTS) program (Rs. 1200/- for SC/ST Applicants)**
- 2) **Rs. 1000/- for PhD Program (Rs. 800/- for SC/ST Applicants)**
- 3) **Rs. 500/- for MPhil Program (Rs. 400/- for SC/ST Applicants).**

ADMISSION TO MCh (CVTS) PROGRAM

Applications are invited for admission to **MCh (CVTS)** program with the following qualifications:

MS in General Surgery from an Indian University recognized by MCI or Diplomate of the National Board in General Surgery or any equivalent degree recognized by MCI for this purpose from time to time.

Age Limit

40 years (as on 1st July 2020); Relaxable by 5 years for SC/ST candidates, sponsored candidates and qualified Ex-service personnel with service duration not less than 5 years.

Commencement of the course

Selected candidates can join for the course on **1st July 2020**.

Method of Selection

1. 1.5 marks for a pass in the MBBS examination in the first attempt
2. 1.5 marks for a pass in the MD/MS/DNB examination in the first attempt
3. 1 mark for gold medal in MBBS
4. 1 mark for gold medal in MD/MS/DNB
5. 40 marks for theory (written) entrance examination
6. 40 marks for Departmental Clinical/Practical and Viva voce
7. 15 marks for the Final interview

Note:

- a. For calculating the marks for eligibility for admission to these courses, 1.5 marks will be given for clearing MBBS in the first attempt, 1.5 marks for clearing MD/MS/DNB in the first attempt, 1 mark for gold medal winners during MBBS course, 1 mark for gold medal winners in MD/MS/DNB. **Candidates with more than two failures will not be called for the entrance examination.**
- b. All candidates called for assessment should appear for a theory examination of 90 minutes duration, carrying 100 multiple choice questions, half of which will be from the post-doctoral specialty applied for and the other half from the qualifying post-graduate specialty. OMR will be used for evaluation of answer sheets.
- c. The minimum pass marks in theory examination will be 50%. Candidates scoring less than the minimum prescribed marks will not be considered for admission.
- d. Out of the candidates who have qualified in the theory examination, a merit list will be drawn up based on the marks obtained in the theory examination. From the said merit list, candidates will be selected in the order of merit for further evaluation - clinical, practical and viva voce in

the CVTS department. The ratio of candidates selected for these will be approximately three candidates for each available vacancy.

- e. The candidates for the final interview will be selected in the order of merit based on aggregate marks scored for academic performance including theory and departmental clinical/practical and viva-voce (aggregate of 1 to 6 under method of selection). The number of candidates called for the final interview will be 2.5 times the available number of seats in CVTS.
- f. Candidates will be notified of their provisional selection immediately after the entrance examination. The final announcement will carry the names of selected candidates (in serial order), wait-listed candidates (in rank order). Selection will be purely on merit, based on the methods of assessment indicated.

For Sponsored Candidates

Candidates will be considered as “sponsored” only if they are financially supported by the Government, Governmental agencies or Universities. Sponsored candidates will have to apply through proper channel and submit a “No Objection Certificate” from their employer along with their application forms. Government orders regarding sponsorship with financial support must be submitted at the time of admission. The decision of the Institute regarding the eligibility of sponsorship shall be final.

All eligible candidates seeking admission (including sponsored) will have to appear for the entrance examination and go through the process of selection as envisaged for all. **Candidates applying under the sponsored category will be considered as “Sponsored” only if they figure in the merit list which includes wait list candidates also.** If sponsored candidate figure in the merit list he/she will be given admission under the sponsored category. No other type of preference will be given to sponsored candidates.

Sponsored candidates are eligible for 7 days Leave-on-duty for attending national conferences/workshop/seminar. They are not eligible for accommodation, HRA, medical reimbursement, travel grant, TA/DA and registration fee for conferences.

The number of sponsored candidates in any course will not exceed 50% of the number of seats in general quota.

For Foreign Nationals

The Institute accepts foreign nationals for the course but there is no reservation of seats for foreign nationals. Selection will be on the basis of their

merit in the entrance examination. The candidates need to be sponsored and supported by Government or inter-governmental agencies. Foreign nationals are required to apply through the Indian Council of Cultural Relations & The Ministry of External Affairs, Government of India, New Delhi.

No. of Seats: 03 (Three)

Salary/Stipend (per month in Rupees)
(Not Applicable for sponsored candidates)

Course	Duration	Scale of pay/Stipend
MCh (CVTS)	3 Year	₹.74000/-* (for I year)
		₹.76200/-* (for II year)
		₹.78500/-* (for III year)

* With applicable HRA, DA & DA on TA as per Institute Rules

SPECIAL INFORMATION

A. Hostel Accommodation

Candidates selected will be provided accommodation as per rules and availability. **It is mandatory for Senior Residents to occupy PG Quarters as the case may be, once it is allotted to them.** No HRA will be paid to any occupants once an eligible accommodation has been allotted to them, irrespective of whether they occupy the allotted accommodation or not. Electricity and Water charges may be levied proportionally from the inmates if they are in single/double/sharing/family accommodation.

B. Course content

The training is strictly full-time and continuous. The candidates at the time of admission will be provided with a handbook covering the syllabus, training program and the examination scheme. They should acquaint themselves with the syllabus prescribed for the course to which they are admitted. They should strictly adhere to the rules and regulations of the Institute.

C. Bond to be executed

The Senior Residents are expected to execute a bond to remit an amount of Rs.50,00,000 (Rupees Fifty Lakhs) to the institute, if the residents decide to leave the course from the very next day or afterwards after joining the program. [Bond format attached].

D. Contract service

All Senior Residents are required to execute a bond of service for a duration depending upon the length of the course (Bond format attached). Admission will be denied to candidates who fail to join or submit the contract bond by the date stipulated in the letter of selection. Private practice in any form during the pendency of the course is strictly prohibited.

E. Duties and responsibilities

Duties and responsibilities of Senior Residents shall be fixed by the Institute from time to time and will include such clinical work as may be essential for patient care and professional training.

F. Medical Fitness

The selection will be provisional until the candidate is declared medically fit by a Medical Board appointed by the Institute. The candidate should declare all illness connected with his/her health and should certify that he/ she is fit to undergo the rigorous program that he/she is joining. The opinion of the Medical Board shall be final.

G. Commencement of academic session

The session commences on 1st July 2020. Selected candidates will report on this date with all necessary original documents, the verification of which is mandatory for confirmation of admission.

Senior Residents will be assessed at the end of six months after admission for their academic ability, desire for training, acquisition of competence, commitment to patient care, interpersonal relationship and so on. Those with low scores will be given a chance to improve in the next three months and, if found unsatisfactory, the candidate's registration in SCTIMST will be terminated.

LIBRARY

A collection of various books in different disciplines are available. Facility for use of internet is also available at the library.

ADMISSION TO PhD PROGRAM

Applications are invited from highly motivated students for admission to the PhD program beginning in July 2020 at Sree Chitra Tirunal Institute for Medical Sciences and Technology, Trivandrum.

The institute promotes interdisciplinary research and offers PhD program in the following streams and areas:

Physical Sciences:

Biophotonics, Plasma coating, Nano biotechnology, Bioimaging, Biomedical & Biomaterial Physics.

Chemical Sciences:

Medical applications of polymers, Polymer processing, Smart polymers, Interpenetrating polymer networks, Dental polymers, Surface modification of polymeric devices, Radiopaque polymers, Polymeric bioinks.

Biological Sciences:

Biochemistry, Cell Biology, Cellular and Molecular cardiology, Neurobiology, Microbial Technology, Pathology, Physiology, Toxicology, Thrombosis, Implant Biology, Tissue Engineering & Regenerative Technologies, Adult stem cells & Regenerative medicine, 3-D Bioprinting of tissue constructs.

Bioengineering:

Artificial Organs, Biosensors, Bioinstrumentation, Medical Device Technology, Functional neuroimaging, Magnetic resonance imaging, Medical image processing.

Biomaterial Science and Technology:

Bioceramics, Dental materials, Material tissue interactions, Drug delivery & sensing, Biomedical polymers, Scaffolds for tissue engineering.

Health Sciences (Public Health) (Full Time):

Epidemiology, Gender Issues in Health, Health Policy, Health Systems, Health Informatics, Health Technologies, GIS in public Health.

Medical Sciences:

Neuro Sciences, Cardiac Sciences, Imaging Sciences and Interventional Radiology.

ELIGIBILITY FOR ADMISSION

(A) Holders of Junior Research Fellowship (JRF) awarded by UGC/CSIR/ICMR/DBT OR MPhil (Biomedical Technology) degree awarded by SCTIMST. Eligible internal faculty members from BMT Wing who wish to register for PhD program of the institute may also apply with No objection certificate issued by competent authority. (Note: MPhil degree holders are required to find out their own fellowship/project position for admission to PhD program).

(B) Minimum Educational Qualifications for Admission

Physical Sciences: Post graduate degree in Physics (All branches)

Chemical Sciences: Post graduate degree in Chemistry (All branches)

Biological Sciences: Post graduate degree in any branch of Life Sciences (Physiology, Biochemistry, Biotechnology, Zoology, etc.) / dentistry. Students with post graduate degrees in Plant sciences, Botany or Bioinformatics need not apply.

Bioengineering: Post graduate degree in Polymer Engineering/Technology, Material Science, Biomedical Engineering, Instrumentation Engineering, Biotechnology, Clinical Engineering, Biomedical Engineering, Electronics and Communication Engineering, Electrical & Electronics Engineering, Computer Science or Information Technology.

Biomaterial Science and Technology: MPhil (Biomedical Technology), Post graduate degree in Physics, Chemistry, Polymer Chemistry, Polymer Science, Material Science, Biotechnology or Veterinary Science.

Health Sciences: Post graduate degree in Modern Medicine, Public Health, Dentistry, Nursing, Veterinary Sciences, Demography, Economics, Sociology, Social Work, Political Science, Business Management (MBA), Public Administration and Statistics. Other post graduate degrees may be approved by the Academic Committee after examining the merits of the suggestion.

(C) Minimum Marks Required to Apply:

Consistently good academic record with 60% marks (or CGPA = 6.5/10) in undergraduate and post graduate degree examinations.

Conditions applicable only for Medical Sciences stream: MBBS degree from any university recognized by Medical Council of India (MCI). Candidates should have completed one year compulsory rotating internship or its equivalent as

recognized by MCI after passing the final year MBBS examination. Candidates should have full registration with a State Medical Council. Candidates with Post Graduate Medical qualifications can also apply but no special reservation or preference will be given. Applicants should have 55% of marks in MBBS Degree and need to be holders of National Level fellowship from UGC/CSIR/ICMR. Candidates should not have had more than 2 attempts for passing MBBS degree. Available research areas in Medical Sciences stream are:

- (a) Neuro sciences
- (b) Cardiac Sciences, and
- (c) Imaging Sciences & Interventional Radiology

Method of Selection

The selection of research scholars will be based on the performance in interview. Candidates must upload a **Research Proposal** (about 1000 words) and a **Statement of Purpose for undertaking a research career** (about 300 to 500 words) while submitting their application.

The Institute reserves its right to short list candidates based on the academic merit and scientific records of the applicants and availability of research guides every year.

The list of approved guides and their areas of research interest is available at: https://sctimst.ac.in/Academic%20and%20Research/Academic/Guidelines,%20Manuals,%20Forms/resources/PhD_Guides_with_Area_of_Speciality_2019.pdf

Age Limit, Number of Seats and Reservation

There is no age limit for admission to the PhD Program. PhD registration is not guaranteed for the candidates who are selected for admission. Selected candidates are expected to interact with the recognized guides of the institute and discuss with them regarding their research interest. A guide may accept a student based on the availability of slot, his/her areas of specialization, research interest of the student, availability of research grants and financial support available for the student. Adequate measures will be taken during the selection process to ensure representation of students from the reserved categories in the selection list.

Appointment of external guides for in-service employees

- 1) Any academic faculty of BMT Wing whose probation has declared may register for PhD program of the institute with an external guide from an IIT or NIT or other national Institutes, provided eligible guides are absent in the BMT Wing in the field of research.

- 2) These employees may select guides from the above institutes and the list of guides has to be approved by the academic committee of SCTIMST.
- 3) These employees are exempted from writing the written entrance examination conducted by SCTIMST.
- 4) It is mandatory that the PhD work has to be done at SCTIMST and the area of research is in line with SCTIMST's mandate for research and development.
- 5) These faculties should also have an approved guide of SCTIMST as co-guide to monitor the progress of the work.
- 6) In the cases where the permanent internal faculty has been re-appointed through direct recruitment to a higher post, the past permanent employment and completion of probation in the lower post would be adequate to qualify for PhD registration.

Funds provided for Institute work should not be diverted for thesis work. These employees should satisfy all the requirements of the Institute for the award of PhD degree.

ADMISSION TO MPhil COURSE IN BIOMEDICAL TECHNOLOGY **(AUGUST 2020 SESSION)**

(A full-time residential course of 12 months duration – from August 2020 to July 2021)

Applications are invited for admission to **MPhil Degree in Biomedical Technology**, a high quality academic and research training program in Biomedical Sciences and Technology.

Objectives of this high quality academic and research training are to:

1. Provide an excellent background in biomedical research with integration of chemical, biological and physical aspects in a unified approach.
2. Emphasize an investigative as well as an empirical approach to the practical problems encountered in experimental and human biomedical sciences.
3. Training on research methodology which includes development of research hypothesis, work plan, experimental methods, data analysis and reproducibility and finally report preparation.
4. Impart theoretical and practical knowledge and competence that will prepare the student for employment and research in a variety of biomedical environments.
5. Improve communication skills through oral and poster presentations.

Expected Outcome

1. The set of lecture and laboratory training courses are designed to strengthen their basic science background at the graduate level.
2. The experience gained will help in developing and focusing research skills in modern biomedical research laboratories.
3. Students will be encouraged to write competitive examinations conducted by various government agencies to obtain fellowships for pursuing a PhD program within the Institute or outside.

- Students will gain awareness to determine if he or she really wants to make the commitment and pursue a lifelong research career.

Number of Seats

Number of seats available and their break-up are given below. Reservation will be followed as per Govt. of India norms.

Course	Open seats	Reserved for					Total
		SC	ST	OBC	EWS	PwD (horizontal reservation)	
MPhil	8	2	1	4	2	1	15+2

Minimum Educational Qualifications for Admission:

Post graduate (MSc / MS / MTech / ME, etc.) in Biological/Chemical/Physical Sciences (including Polymer Sciences/Chemistry but excluding Plant Sciences and Bioinformatics) with minimum of 60% marks (or equivalent CGPA)

Upper age limit: 28 years as on **1st August 2020.**

Method of selection:

- Applications for admission will be notified in the newspapers and website. Students will be asked to apply in the prescribed format.
- Applications received with all required enclosures are screened by an authorized committee of this Institute.
- The selection will be based on the performance in written test and interview. The candidates who fulfil the minimum educational qualifications will be admitted for written test.
- Those who qualify the written test will be called for interview.
- Based on the performance in the interview, a panel of students would be selected and waiting list will be prepared for admission.
- Verification of the original certificates against the submitted copies will be done at the time of admission.

Stipend and contingency:

An amount of Rs.5,000 per month will be paid as stipend. In case the student discontinues the course after 30th August 2020, the student will have to pay a penalty of six months' stipend.

Bond to be executed

Students are required to execute a bond agreeing to remit an amount equivalent to six months stipend if they discontinue the course and leave the Institute **after 31st August 2020** [Bond format attached].

Accommodation:

Accommodation will be provided at the student's hostel. In case of shortage of accommodation in student's hostel, 15% of the stipend will be provided to find accommodation outside the campus.

Library: A collection of various books in different disciplines are available. Facility for use of internet is also available at the library.

Conference: It is mandatory to attend one conference during the MPhil tenure.

Fee Structure: Kindly refer to fee structure in the table below:

They should acquaint themselves with the syllabus prescribed for the course to which they are admitted. They should strictly adhere to the rules and regulations of the Institute.

Commencement of Academic Session

The session commences on **1st July 2020 for MCh (CVTS) & PhD and 1st August 2020 for MPhil**. Selected candidates shall report on this date with all necessary documents in original and the verification of which is mandatory for confirmation of admission.

Attendance on the last working day of the course, normally 30th July, will be compulsory, except in extraordinary situations.

Important Instructions for filling the application form online

1. All candidates seeking admission are required to submit their application in the prescribed format available online.
2. Online application can be filled from **22.04.2020 to 25.05.2020 (5 p.m.)**
3. For submitting online application, please visit the website: www.sctimst.ac.in. After selecting the online registration, pay the prescribed fee through debit card/credit card/net banking. After paying the fee, fill the online application form step by step.
4. Candidate shall keep a passport size photograph [35 mm x 45 mm (50kb max) - as jpeg image] ready for uploading before filling the application. Candidate also shall be ready with scanned copies of all relevant certificates (size less than 1Mb/certificate) to upload in the website.
5. The candidate is required to go through the prospectus of MPhil/PhD programs (available on the same website) carefully and acquaint himself/herself with all requirements with regard to filling of the online application form.
6. Do not use Back and Forward button of your browser while filling the application form.
7. No candidate should submit more than one application. Duplicate applications from any applicant will result in cancellation of all such applications. No intimation regarding such cancellations will be provided.
8. Candidate should fill in the online application with utmost care and follow the instructions.
9. It will be the responsibility of the candidate to ensure that correct details are filled in the online application form. SCTIMST will not be responsible for any incorrect information/cancellation of candidature/loss or lack of communication, etc., due to incorrectly filled online application form.
10. Candidate must ensure that no column is left blank and it is recommended to complete the filling of the application form in one go.

11. Candidates are also provided with a "Login" facility after successful submission of their application and can take print out of the same by entering the Application Number, Email Id and Date of Birth which are provided at the time of submission of application.
12. Admit Cards for accepted applications can be downloaded from the website from **1st June 2020** onwards. Please bring this card for entering into the examination hall. No personal intimation will be given to download the admit card.
13. It is mandatory to *bring the print out of the filled application form duly signed at the time of interview*, along with *self-attested copies* of the following documents:
 - a. Online Payment Receipt.
 - b. Document to prove age.
 - c. Caste certificate for SC/ST/OBC (Non-Creamy Layer) candidates (issued by Revenue authorities not below the rank of Tahsildar)(Valid as per Govt. of India norms-Format of OBC attached).
 - d. 'No Objection Certificate' in the case of employed/sponsored applicants.
 - e. Certificates to prove academic qualifications.
 - f. Certificate to prove experience.
 - g. Registration Certificate: For Medical/Nursing graduates.
14. The screening committee appointed by the Institute reserves the right to accept/reject an application.
