Venue II: BMT Wing Campus, Poojappura, Sree Chitra Tirunal Institute
for Medical Sciences and Technology (SCTIMST)

Dignitaries at the Launch

Prof. Ashutosh Sharma,
Secretary, Department of
Science & Technology (DST)

Dr V K Saraswat,
President, SCTIMST

Dr Asha Kishore,
Director, SCTIMST

SCTIMST ties up with Agappe Diagnostics for commercial launch of Agappe Chitra Magna COVID 19 detection kit

- The innovative kit can be used for RNA extraction for RT-LAMP, RT-qPCR, RT-PCR and other isothermal & PCR based protocols for detection of SARS-COV-2
- The technology was transferred to Agappe Diagnostics in April 2020, & will now be available in market as Agappe Chitra Magna RNA Isolation Kit
- The cost of kit is Rs. 150, which is half of imported kits
