

Virtual Lab visits and exhibition of medical devices

In connection with the commemoration of 75th year of Independence, Govt. of India has launched a program named 'Azadi ka Amrit Mahotsav'.

Sree Chitra Tirunal Institute for Medical Sciences and Technology, Trivandrum (SCTIMST) is participating in this in a big way with several programs envisaged to be conducted in the next two years. In this context the Institute is planning a virtual platform as an introduction to the different facilities of SCTIMST which will include the three wings, Achutha Menon Center for Health Science studies, Biomedical Technology Wing and Hospital Wing. A virtual exhibition of the medical devices developed by the product development team of the Institute will also be included in the virtual platform.
