**World Music Day- 21st June 2021**

**Let's celebrate!**

**"Azadi Ka Amrit Mahotsav -  
Celebrating 75 years of Indian Independence"**

Dear Music Lovers, Dear Chitrites

The Egyptian God 'Thoth' divided the world into spheres with his 7-fold "laughter" from which the 7 basic sounds (vowels) and 7 strings of the lyre took its origin. 'Thoth' is also credited as the 'inventor' of 'music' and all divine songs. 'Hathor' is the goddess of music and dance. Music serves the macro and microcosmic Universe; emotions are its language, not mere words and phrases.

In Sanskrit 'singing' is named 'Gangharavidya' ("Art of higher beings"). In Christianity, what is interesting is the idea of celestial liturgy, a sacrament- praise of the creator. Its climax is the singing Angel(s). The Angels sing "alter and alterum" ("to one another"); "sine fine" ("without end"); "una voce" ("in unison").

Thanks to "**Chitra Music Club**" which took its shape on 26th January 2021 . In 5 months, they created a soprano of the highest quality of not just 7 notes or octaves, but a myriad of magic through their voice, took us all to a good many vicissitudes of nostalgia, romance, pathos, patriotism and what not !

On this auspicious occasion of **World Music Day, 2021** , "Azadi ka Amrit Mahotsav' committee place on record our heartfelt gratitude to all Chitra Music Club members- Amal, Anju, Dhanya, Bejoy, Markose, Joseph, Kaveri, Madhavan, Radhika, Renjith, Sajin, Shibu, Sreeja, Sreenath, Susan, Tiny, Arya, Jissa, Kunjiraman, Manna, Mohanachandran, Shivanand, Sreelakshmi, Vijikumar, Jojo, Liji kumar , Gowthami, Lekshmipriya, Prasanth and many more.
