

#### Important Dates

- Registration Open: June 15 2017
- Early Bird Registration closed: August 15 2017
- Last date for Abstract Submission: 31 July 2017
- Intimation of Abstract Acceptance: 15 August 2017
- 10th TCS Annual Event: 28-31 October 2017
- Workshop on 'Application of Flow Cytometry in Health and Disease': 29th -31st October 2017

#### Patron:

Dr. Asha Kishore, Director , SCTIMST

#### Chair:

Dr. HK Varma, Head, BMT WING,

#### President:

Dr. Lissy K Krishnan  
Dr. Rekha A Nair, RCC

#### Organizing Secretary

Dr. Anugya Bhatt, SCTIMST  
Dr. Priya Mary Jacob, RCC

#### Co-Organizing Secretary

Dr. Santosh Kumar, RGCB

#### Contact persons

Dr. Anugya Bhatt  
SCTIMST, Trivandrum  
email id: anugyabhatt@gmail.com  
9446150443

Dr. Priya Mary Jacob  
RCC, Trivandrum  
email id: drpriyasumod@gmail.com

## 10th TCS Annual Meeting & Workshop on 'Applications of Flow Cytometry in Health & Disease'

\*Sree Chitra Tirunal Institute for Medical  
Sciences and Technology

\*Regional Cancer Centre

\*Rajiv Gandhi Centre for Biotechnology  
Trivandrum

October 28-31st, 2017

## About the Society

Cytometry is a rapidly growing powerful technique used in basic and clinical research which offers great opportunities to the scientists in translational and applied research and provides diagnostic and therapeutic tools to the clinician. Cytometry is in its infancy in India and TCS actively promotes training and knowledge dissemination.

## Who should attend

This event is for you if you want to share your flow experience with pioneers in the field, learn flow cytometry, or upgrade your expertise in modern applications of flow cytometry. Come and join us.

## Call for Abstracts:

We invite researchers from different streams to submit their work for oral/poster presentation. Abstract submission will be open from 15th June 2017 and last date for submission is 31<sup>st</sup> July 2017. For more details please visit [www.tcs.res.in](http://www.tcs.res.in).

## Best paper Award:

Submit your full paper published after July 2015 for Best paper award. Best paper award is given in the field of Basic Sciences and Clinical Sciences separately. Grab the opportunity.

## Travel Support (n = 20):

TCS will provide travel support to the student delegates for a maximum of 5000/-INR per student. There are many, catch one.

## Registration:

Participants of the Annual TCS meet and workshop are requested to register. Registration fee can be paid through online payment. Please visit the TCS website for further details. Registration form can be downloaded from the website.

## Registration fees details:

### Fees on or before 15th September 2017

Category	Dates	TCS member Student INR	TCS Non-member Student INR	TCS member Faculty INR	TCS Non-member Faculty INR	TCS member Corporate INR	TCS Non-member Corporate INR
TCS Meeting	28-29 <sup>th</sup> Oct	2500	3500	4000	5000	5000	6000
Workshop	29 <sup>th</sup> Oct noon to 31 <sup>st</sup> Oct	6500	8500	8500	10500	13500	15500
TCS Meeting + Workshop	28 <sup>th</sup> -31 <sup>st</sup> Oct	8000	10000	10000	12000	15000	17000

After 15th Sep 2017, an additional late fees of Rs. 2000 will be applicable on all categories. The registration fee includes study material, and Lunch on all meeting days.

## Faculty

Dr. Awtar Krishan, USA  
Dr. H Krishnamurthy, India  
Dr. Vivek Tanavde, India  
Dr. Sindhu Cherian, USA  
Dr. William G Telford, USA  
Dr. Mitali Chatterjee, India  
Dr. Sumeet Gujral, India  
Dr. Kunal Sehgal, India  
Dr. Anis Larbi, Singapore  
Dr. Brent Wood, USA

## Lectures and wet labs

- Cell Cycle Analysis
- Apoptosis
- Stem Cell Analysis
- Antibody Titration
- Chronic lymphoproliferative disorders
- Monitoring of oxidative stress
- Cytokine & chemokine analysis
- Multiparametric immunophenotyping
- Multiple Myeloma
- MDD

## About the Meeting

This meeting and the Workshop is an event, where pioneers of the field come together to share their expertise. A platform for open discussions, for clearing any doubts related to Cytometry, learn new applications and know about advancements in the field. It's an opportunity for clinicians, basic scientists, researchers, and technicians to come together to learn new dimensions in Cytometry.

## International Society for Advanced Cytometry (ISAC) Lecture Series

We are happy to announce that ISAC is supporting this event by providing travel support to one International faculty for this event.

## Thiruvananthapuram

The History of Thiruvananthapuram, the state capital of Kerala, dates back to 10th Century AD. The city and several other places occupy an important place in ancient tradition. This district, holds a number of tourist spots such as hill stations, back waters, beaches, lagoons, and wild life sanctuaries, that reflects the beauty of Kerala. With its evergreen mountains, dense forests, stately palms, swift flowing rivers, extensive backwaters and blue lagoons, it looks like a fairyland. This atmosphere of beauty and peace has nurtured religion and art in Kerala and enabled her to become a precious gem in the necklace of Indian culture.
