Continuing Nursing Education on

## BASIC CONCEPTS IN INTERVENTIONAL CARDIOLOGY

21st December 2014 - Time : 8 am to 5 pm

Organized by  
Nursing Service Division  
Supported by  
Department of Cardiology

AMC AUDITORIUM | SCTIMST | THIRUVANANTHAPURAM

Dear Colleagues,

Designed to blend the fundamental doctrines in science with practical clinical approaches to patient management, we invite you to join the 2014 continuing nursing education program on basic concepts in interventional cardiology. This program will provide opportunities for cardiovascular nurses and allied health professionals to come together, exchange ideas, and learn from experts.

### Learning Objectives

- Describe common cath lab procedures
- Develop critical thinking skills in the management of patients undergone cardiac interventions
- Identify and manage emergencies with confidence

### Target Audience

Nurses working in cardiology department, post graduate nursing students, nurse educators, and allied health professionals.

### Accreditation

Due credit will be allotted as per Kerala Nursing Council norms

### Registration

Pre registration is needed. Registration can be done online. No spot registration. Please verify your registration status before the date of the program.

#### Patrons

Prof. Jaganmohan Tharakan  
Director, SCTIMST

Dr. Thomas Titus  
Prof & HOD, Cardiology

Dr. Ajitkumar V K  
Prof. of Cardiology
