“Learn from the Master”

Live operative workshop

Saturday 19th July 2014

Organised by
The Department of Neurosurgery
Sree Chitra Tirunal Institute for Medical Sciences
& Technology
Thiruvananthapuram
India

Dear Colleagues,

Greetings from the Department of Neurosurgery, SCTIMST.

Surgical frontiers continue to expand and we need to keep pace with the changes. What better way than to learn from the masters themselves. The department of neurosurgery, SCTIMST has embarked on an ambitious program to invite international renowned surgeons to demonstrate their expertise and skills through live operative workshop sessions.

Dr. B K Misra , Secretary, World Federation of Neurosurgical Societies and Consultant Neurosurgeon, P. D. Hinduja National Hospital, Mumbai has graciously consented to be our first invited guest. We cordially invite you to attend this session and savour the academic feast on display

Prof. Suresh Nair
