Dear colleagues,

We are pleased to invite your honourable presence in the National Conference on "Paediatric Cardiac Nursing: Clinical Updates" at Achutha Menon Centre, Sree Chitra Tirunal Institute for Medical Sciences and Technology, Thiruvananthapuram, on 9th and 10th November 2013, organized by the Nursing Service Division, with the direction and support of the Dept. of Cardio Vascular and Thoracic Surgery, SCTIMST.

This venture aims at discussing the various aspects of nursing care of children undergoing congenital heart surgery and also sharing the current practices and guidelines in this arena. Participants include nurses working in wards, ICUs, operation theatres, post graduate nursing students and nurse educators.

#### OBJECTIVES:

The participants will be able to,

1. Identify the basic concepts in nursing management of children with complex congenital cardiac anomalies
2. Incorporate the current critical care guidelines into the nursing practices pertaining to the post operative intensive care management.
3. Refine critical thinking skills and clinical judgement through case study, discussions and interaction with experts in the field

With regards...
