

## **WORKSHOP ON ‘ANALYSING MEDICAL AND HEALTH DATA USING ‘R’**

Achutha Menon Centre for Health Science Studies (AMC) is conducting a 2 day workshop on **‘Analyzing Medical and Health Data using R’**, on 29-30 September 2014 at the centre. The workshop instructor will be **Professor V Raman Kutty**. The workshop introduces participants to the use of ‘R’, a software on the free platform which can be used for data analysis, graphics, and statistical model building. R is getting increasingly popular among scholars and researchers the world over who are keen to do their own data processing. An exposure to R is considered a basic skill for aspiring researchers in many fields, including medicine and health.

The workshop is for 2 days (29-30 September 2014), and the course fees is fixed as Rs. 2000/- (Two Thousand Only). Those interested may please send a mail with their contact details to [r4analysis@gmail.com](mailto:r4analysis@gmail.com). The last date for registration is 25 September 2014. Fees to be paid as DD in favour of Director, SCTIMST on or before 25 September 2014.
