

# Talk on: Informed consent in health systems research

AMC Seminar Series, AMCHSS, SCTIMST

Date and time: March 23 2018. 11.00-12.30 hours

Venue: Auditorium II, SCTIMST, Trivandrum

Speaker: Prof. Angus Dawson

Prof. Angus Dawson *Professor of Bioethics and Director Sydney Health Ethics School of Public Health* at the University of Sydney.

He has published extensively on many issues in bioethics. In recent years he has been particularly focused on public health ethics (e.g. vaccinations and issues related to lifestyle choices) and the use of empirical evidence in moral arguments (e.g. in relation to problems in gaining informed consent in clinical trials).

He has many collaborative research projects across the world, with particularly strong ties with Canada and India. He is joint Editor-in-Chief of the journal *Public Health Ethics* and joint coordinator of the International Association of Bioethics' Public Health Ethics Network (InterPHEN). He is the past president of the International Association of Bioethics.

The session will be chaired by Prof. TK Sundari Ravindran, Associate Dean, AMCHSS.
