Welcome Message

We are delighted to extend a warm invitation to the First National CME of the Indian Society of Transfusion Medicine (ISTM) scheduled to take place on 11th and 12th July 2024 in Trivandrum, the capital city of "God's Own Country." This prestigious event is hosted by the Department of Transfusion Medicine at the Sree Chitra Tirunal Institute for Medical Sciences & Technology, an Institute of National Importance under the Government of India in Trivandrum.

Gathering the finest professionals in Transfusion Medicine from across India, this two-day academic extravaganza promises a deep dive into the latest advancements in the field. Our meticulously curated scientific program encompasses a wide range of topics vital to Transfusion Medicine practice, creating a platform for collaboration, knowledge exchange, and the establishment of valuable connections within the community.

Attendees can look forward to a plethora of scientific presentations and engaging panel discussions led by distinguished experts in Transfusion Medicine. Junior Residents and Senior Residents are encouraged to submit abstracts of their research for both paper and poster presentations, with exciting awards awaiting the best presentations in each category.

Join us in immersing yourself in the serene ambience, tranquil surroundings, and delectable cuisines of God's Own Country while benefiting from unparalleled scientific experiences.

Let's embark on a journey together to explore fresh perspectives, foster collaboration, and ignite innovation in the realm of Transfusion Medicine.

On behalf of the Organizing Committee ISTM CME 2024
