**Sree Chitra Tirunal Institute for Medical Sciences and Technology
Thiruvananthapuram, Kerala.**

Dear Colleagues,

It is our pleasure to invite you to the Stroke Update 2011 on October 30th 2011 at Thiruvananthapuram. As a part of the World Stroke Day initiative, this update intends to give an overview of the recent advances in the acute stroke care and thrombolysis, neuroimaging, transient ischemic attack, carotid revascularization, intracerebral haemorrhage and stroke rehabilitation. We have national stroke experts to enrich the meeting with their experiences. This will be a platform to learn and exchange your ideas and become update in acute stroke management.

We look forward to your presence and participation.

Dr.K.Radhakrishnan
Organizing chairman

Dr.P.N.Sylaja
Organizing secretary
