

# Inauguration of New Patient Portal

A new web portal for Patients developed by the Computer Division was inaugurated by the Hon. Director on 02.11.2022. This portal is made to enable convenient and easy access to hospital services. A self-service platform; which will help patients to request for new registrations, fix review appointments, make online payments for services, request for certificates, ask queries, download discharge summaries, investigation reports, as well as prescriptions. The portal will also enable telephonic and video consultations.

Portal can be accessed using the link <https://patientportal.sctimst.ac.in>.
