

VISIT OF TATA TRUSTS CEO AND TEAM TO SCTIMST

Tata Trusts is the largest philanthropic organization in India. TATA Trusts were kind enough to donate the equipment to the HF program which includes the HFICU and facilities in CVTS. The donation included a well equipped state-of-the-art Ambulance, ECMO machine, advanced portable echocardiography machine, Nitric Oxide ventilator and the necessary equipment in HF ICU. The HF Facility was inaugurated in February 17 2017. Mr.Srinath Narasimhan, CEO TATA Trusts visited the facility with Mr HSD Srinivas, head of health portfolio of TATA Trusts on Feb 19, 2021. Director, Prof.Jayakumar showed and explained the facilities to the TATA Team. Dr.KM Krishnamoorthy, HOD Cardiology, Dr.Harikrishnan.S, In-charge of the Heart Failure program, Dr.Vivek Pillai, Professor, CVTS, accompanied the team. Director discussed the possibilities of expanding support.
