

Sree Chitra Tirunal Institute for Medical Sciences and Technology, Trivandrum

**26th Annual National Conference of the Indian Society of Neuroanaesthesiology and
Critical Care (ISNACC2025), January 24-26, 2025:**

Organized by : Division of Neuroanesthesia and Neurocritical Care, SCTIMST, Trivandrum

The 26th Annual National Conference of the Indian Society of Neuroanaesthesiology and Critical Care (ISNACC 2025) was held at the Kerala Arts and Crafts Village in Kovalam. The event is hosted by the Department of Neuroanaesthesiology and Critical Care at the renowned Sree Chitra Tirunal Institute for Medical Sciences and Technology (SCTIMST), one of India's leading medical institutions. Over 800 delegates, postgraduates, doctoral fellows, and faculty across the world attended the event. The conference, conducted from January 24-26, promises to be a landmark gathering for experts, researchers, and clinicians specializing in Neuroanaesthesia and Critical care. This specialized field is crucial in managing patients undergoing complex neurosurgical procedures and critically ill neurological patients. The three-day conference featured insightful keynote addresses, engaging panel discussions, interactive workshops, and the presentation of the latest research findings. These sessions were aimed to foster an exchange of ideas, explore the latest technological innovations in Neuroanaesthesia and Critical care to discuss strategies for improving patient care in this highly specialized domain. First ISNACC oration was given by Padmabhushan Shri Senapathy Kris Gopalakrishnan.

The inaugural function on January 24th was attended by a distinguished gathering, including the Chief Guest, His Highness Avittom Thirunal Aditya Varma, Guests of Honor were Padmabhushan Shri Senapathy Kris Gopalakrishnan and Dr. Divya S. Iyer, IAS. Other dignitaries were Dr. Sanjay Behari, Director of SCTIMST, Organizing Chairperson Prof. Manikandan S and Organizing Secretary Dr. Ajay Prasad Hrishu along with Dr Bhadrinarayan and Dr Girija Rath, National office bearers of ISNACC. On 26th January the ISNCC convocation was held and 40 fellows were awarded fellowships by Dr. Sanjay Behari, Director of SCTIMST, who was the chief guest of the function. Five of our residents got various awards in the conference poster and podium presentations, quiz etc. This conference serves as a vital platform for networking among leading professionals, shaping the future of neuroanaesthesia, and ensuring that the best practices continue to be applied in patient care. With experts from across the globe in attendance, ISNACC 2025 is poised to be a significant event in the ongoing development of Neuroanaesthesia and critical care in India and beyond.
