

Expression of Interest for Co Developing and manufacturing Devices for the fast track Programme for COVID-19 Pandemic

SCTIMST invites manufacturers/start ups/social groups who are interested in working with Institute to co-develop and manufacture medical devices on a fast track mode to support the distressing situation the epidemic COVID 19 has created. Please join us for development and manufacture of devices such as :

- Ambu bag based Ventilator
- Ventilator Sharing Kit
- Battery Operated Assistive Breathing Unit
- Isolation Pods
- Disposable Safety Face Shield
- Deployable Field Units

For further details, please contact Technology Business Division : tbd@sctimst.ac.in
